Desktop Station

17/9, Krishnamurthy Street ,
West Mambalam , Ch-33.

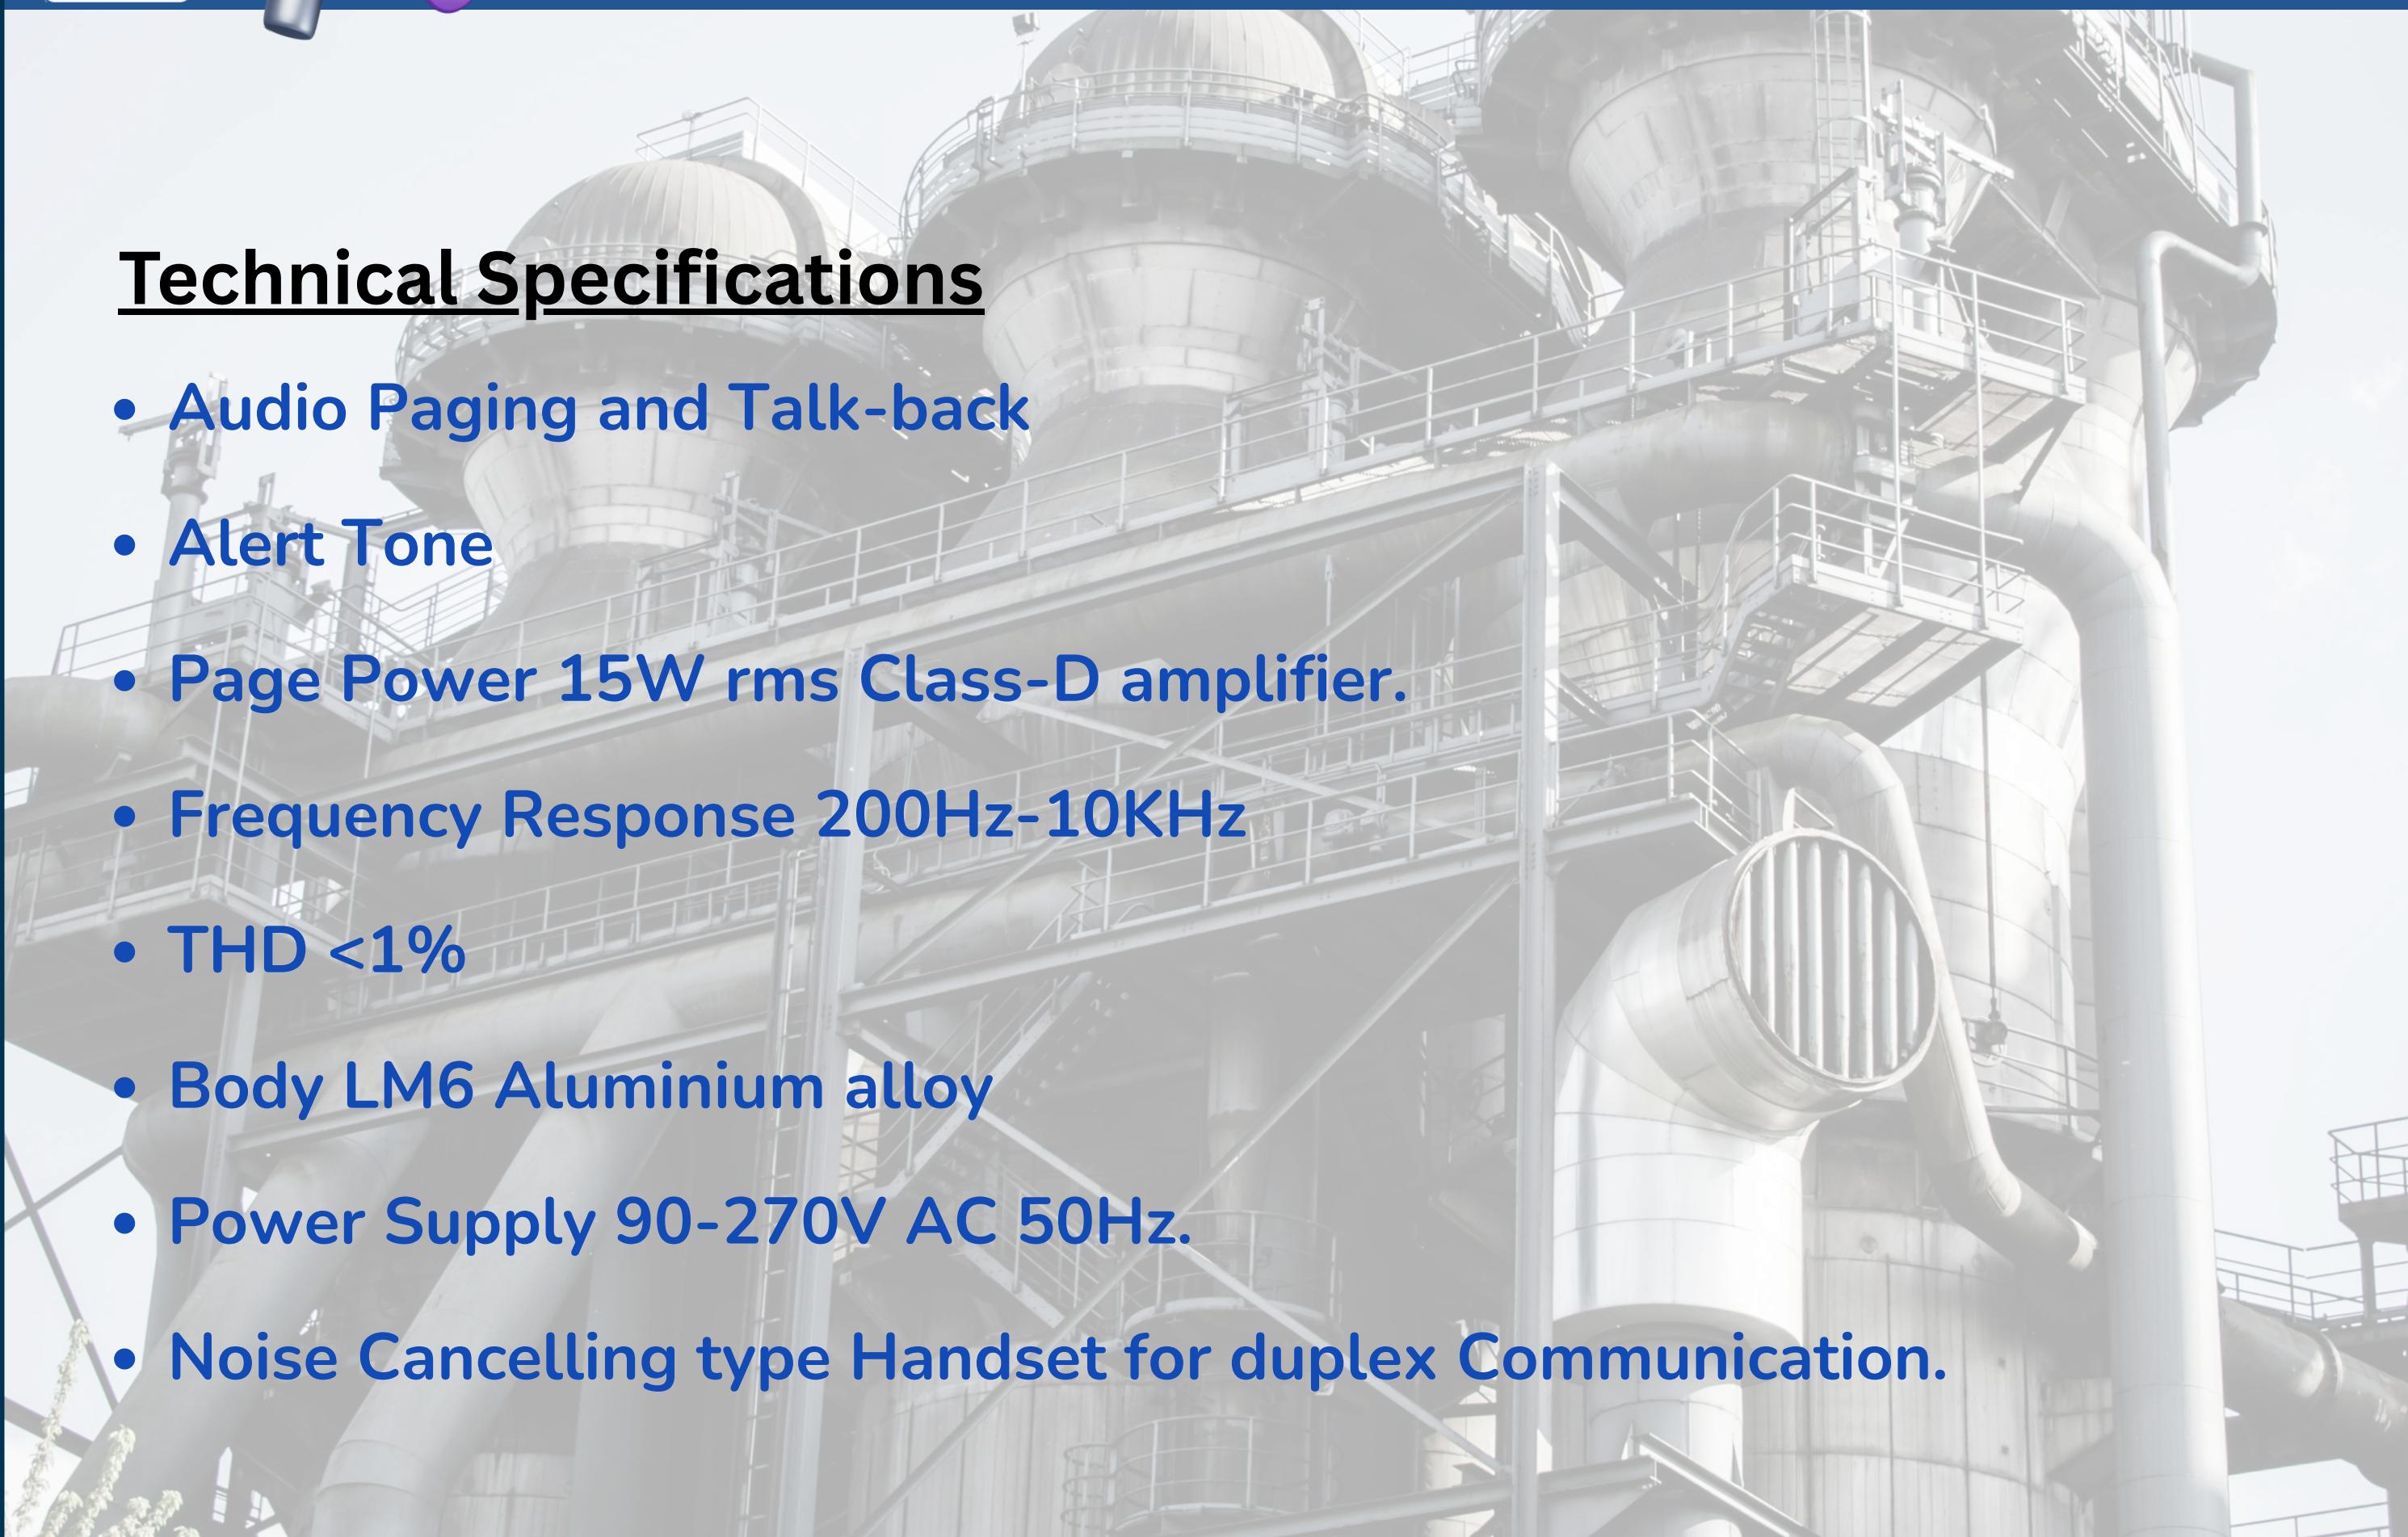

EITU 9000 DS-CD

Industrial Analog Two way Talk back system

ELIXIR

Technical Specifications

- Audio Paging and Talk-back
- Alert Tone
- Page Power 15W rms Class-D amplifier.
- Frequency Response 200Hz-10KHz
- THD <1%
- Body LM6 Aluminium alloy
- Power Supply 90-270V AC 50Hz.
- Noise Cancelling type Handset for duplex Communication.

Application & Usage

- The Desktop Handset Station is part of the audio paging & talkback communication system employed in process industries for purpose of passing instructions to field operators and for emergency / safety announcements.

Accessories

- Station junction box -1 No.
- Speaker junction box -1No.
- Indoor Speaker unit -1No.

*Data subject to change without notice

SPECIFICATIONS FOR HANDSET STATION

MICROPHONE :

Type Dynamic, Noise Canceling
Internal Impedance 300 Ohm @1KHz
Sensitivity -56 dB @ 1 KHz relative to 1 V/Pa

RECEIVER :

Type Dynamic
Internal Impedance 300 Ohm @ 1 KHz
SPL 108 dB @ 1 KHz

LINE AMPLIFIER SECTION

Input Sensitivity 1 mV to 5 mV (adjustable)
Input Impedance 4,7 K (resistive)
Load Impedance 250 Ohm , Balanced (Resistive)
Output 2V RMS
Distortion <1 % @ 1KHZ
Residual Noise Level -50 dB
Frequency Response 200 Hz - 10 KHz, ± 3dB
Gong tone Frequency 600 Hz + 100 Hz
Gong tone Duration 1.5 Secs (apps)

Power AMPLIFIERS SECTION

Input Sensitivity 500 mV RMS @ 1 KHz
Input Impedance 250 Ohm (resistive)
Distortion <1% @ 1Khz
Residual Noise Level -60dB
Frequency Response 200 Hz - 10 KHzz, ±3dB
Output Power 15W RMS @ 1KHz
Protection Short Circuit & Thermal Overload

MECHANICAL SPECIFICATIONS

Material LM6 Aluminium alloy
Protection Class IP 65
Finish Light grey, shade RAL 7035
Dimensions (HxWxD)mm 440x200x180
Cable Entry 19mm Dia, 3 Nos Cable glands
Mounting Arrangement Desktop

POWER SUPPLY UNIT

Supply voltage 90 - 270V AC
Power Consumption 10 VA
Material Lm6 Aluminium alloy
Protection Class IP 65
Finish Light Grey, Shade RAL 7035
Dimensions (HxWxD)mm 90x160x160
Weight 1.6 Kg(app.)
Cable Entry 19mm Dia, 3 Nos Cable glands
Mounting Arrangement Wall / Surface
